

What is the Glendale Heights Chamber?

The Glendale Heights Chamber hosts monthly membership luncheons the first Wednesday of each month at Glendale Lakes Golf Club from 11:30 am - 1:00 pm. The luncheons provide an opportunity for members and guests to network, share a delicious meal and gain both professional and personal development with outstanding speakers. Our members leave the luncheons with new contacts and information to improve their businesses.

Learn about the benefits of joining the Glendale Heights Chamber and get involved!

- Volunteer as a business to build comradery and teamwork
